Regions V and VI of aspa present a joint meeting

The Future of Federalism: Challenges, Problems and Opportunities

November 17-19, 1982
at the
Galt House
Louisville, Kentucky

hosted by
The Kentucky Chapter and
The Louisville Chapter of
The American Society for
Public Administration

SECOPA and Region VI
Welcome you to Louisville
WELCOME TO LOUISVILLE!

This 14th annual meeting of the Southeastern Conference on Public Administration (SECOPA - Region V of ASPA) is also a joint meeting with Region VI of ASPA. The conference represents a unique opportunity for interaction between Mid-Western and Southern public administration interests and has been produced by the combined efforts of participating ASPA chapters within the two regions.

Under the organization and leadership of the host Kentucky chapter, the program represents the work of Region VI ASPA officials, past ASPA officers, member chapters that represent both Regions, as well as a number of individual ASPA members who have contributed to the success of this meeting. The 1982 conference contains the state government track of unique design which offers an interesting opportunity for an exchange of ideas between state governments within the two regions. This is an excellent program in an attractive setting supported by two enthusiastic host chapters, Kentucky and Louisville. We know you will enjoy the Louisville meeting.

SECOPA is a self supporting organization which serves as the volunteer action arm for members of ASPA within the nine Southeastern states. In addition to the annual meeting, SECOPA helps support the Southern Review of Public Administration, assists in the development of state meetings of ASPA chapters, and generally contributes to the development of public administration information exchange in the South.

We hope that you participate fully in this year's meeting and we look forward to having you participate in the 1983 meeting of SECOPA in Tallahassee and/or the 1983 Region VI meeting in Chicago.

Jeff Duffey, Chairman
SECOPA

(Buses leave from the Hotel Front)
Hospitality

Coffee will be available at the rear of the Liverpool Room on Thursday and Friday morning, compliments of the City of Louisville and the Jefferson County Government. A special thanks to the Honorable Harvey Sloane, Mayor of Louisville, and the Honorable Mitch McConnell, Jefferson County Judge-Executive, for their gracious support.

Wednesday evening from 5 to 7 p.m. the Kentucky and Louisville Chapters are hosting a welcoming reception at the newly renovated Jefferson County Courthouse. And on Thursday evening, the North Florida Chapter (host for the 1983 Southeast Regional Conference) and the National Young Professionals Forum will co-host a reception from 5 to 7 p.m. at Stairways.

Evenings have purposely been left open so that you can take advantage of the fine dining available in the Louisville area. A restaurant guide is included in your registration packet for your convenience.

Day at the Races

Following the closing banquet Friday noon, buses will be available to take interested members out to Churchill Downs. The racing program extends throughout the afternoon, usually concluding by 6 p.m., and buses will again be available for the return trip to the Galt House. For those not able to stay for the whole race program, regular city bus runs ($1.60 fare) or taxi service ($6.00) are available for the return trip to the Galt House.

Tickets for the afternoon, which must be purchased in advance, are $5.00 and will be available at the registration desk Wednesday and Thursday. This includes Clubhouse admission at the track and reserved seats in the enclosed Skye Terrace grandstand. Since we must guarantee arrangements for transportation, please purchase your tickets for the “Day at the Races” as soon as possible.
